# HOMework BINGO

Directions: Pick *at least* 10 activities to complete 2 BINGOs. Complete a blackout to earn a prize!

B	I	N	G	O
Donate 3-5 items for our "Help the Homeless" hygiene kits!	Make a Christmas craft! <b>Write down what you made on this sheet.</b>	Have a playdate with a friend.	Do an extra job at home to earn money to buy a present for someone in need.	Write a story using these characters: Santa, a naughty elf, Dasher (the reindeer). <b>Attach it to this sheet.</b>
Write your spelling words using three different writing utensils (pens, markers, crayons).	Look up a drawing tutorial in a book or online and learn how to draw something new! <b>Don't forget to attach it or show it to Mrs. Fredrickson!</b>	Write a note to a sibling and deliver it If you don't have any siblings you can write to any relative of your choosing.	Ask a parent or a grandparent to tell you a story from their childhood.	Make a holiday decoration to hang in your room or in your house somewhere.
Learn about a new animal. <b>Write 3 facts about it on this sheet.</b>	Go on a drive with your family to look at Christmas lights.	Eat five different vegetables! <b>Write down what vegetables you ate on this sheet.</b>	Make a "hot chocolate stand" to sell hot chocolate and goodies at. Bonus points if you donate your earnings to a good cause!	Do a secret act of service for a neighbor.
Write about a favorite Christmas tradition or memory you have.	Write a Christmas poem and <b>attach it to this sheet.</b>	Volunteer at a homeless shelter or another type of shelter for those in need.	<b>Write down a Christmas multiplication word problem on this sheet. Then, solve it!</b>	Go Christmas caroling. Visit at least 3 different houses (or one elderly living home).
Make 2 batches of cookies. Share one batch with your family and deliver the other batch to someone else!	Shovel someone's driveway.	Watch a Christmas movie. <b>Write a summary of the movie on this sheet (or attach it).</b>	Write out a Christmas list!	Make a gingerbread house, then <b>draw a picture of it and attach it to this sheet!</b>
