Dear Parents/Guardians,

Happy new school year! I am really excited to be your child's teacher for 3rd grade. I truly feel blessed to do a job I am passionate about. To be most effective, I would ask you to become a partner with me in your child's education.

I know my teaching must begin with helping children feel welcome and wanted in the classroom and come together into a learning community that I like to call our class family. Our class family is made up of unique individuals, each with his or her own learning styles, strengths, interests, history, hopes, and dreams.

Would you please help me by taking a moment to tell me about your child? What is your child like? What are his or her interests? What are things you, as a parent, know that would be important for me to know? What has his or her school experiences been like so far? How do you see your child as a learner and as a person? What are your main goals for your child this year? You may share this through an email to me.

Communication: Throughout the year I will communicate through weekly newsletters, emails, telephone calls, progress reports, and parent-teacher conferences. You are encouraged to contact me if you have any questions or concerns via email, and I will respond as soon as I am available.

Donations (optional, helpful, appreciated): All student materials are supplied. However, the following items are commonly used: Clorox wipes, tissues, hand sanitizer, Expo dry-erase markers, and gallon and quart-sized Ziploc baggies.

Thank you! I look forward to a wonderful partnership in your child's education.

Sincerely,

Mrs. Fredrickson
